GET RID OF HUMORS

Hood's Sarasparilla is the Medicine to Take-Makes Pure Blood.

Dry, moist, scely tetter, pimples, boils, and other eruptions come from humors, which may be either inherited, or acquired through defective digestion and assimilation.

To treat these eruptions with drying medicines is dangerous.

Hood's Sarsaparilla, the old reliable medicine, helps the system to discharge the humors, and improves the digestion and assimilation.

Get Hood's Sarsaparilla from your druggist. It may be confidently relied upon to do its work. It purifies the blood, tones the stomach, and builds up the whole system. It goes to the roots of discases, and its beneficial results are permanent. It sets hings to rights in the system. Remember to ask for Hood's Sarsaparilla, because nothing else acre like it and nothing else can take its place.

SIMPLICITY!

Just a glance at our splendid Spring stock of new-styled furniture will, we think, convince you that it maintains our leadership beyond all question.

You will remark at once the effective simplicity of line that characterizes the Colonial pieces for the dining room. The chairs, tables, buffets and china cabinets are, we think, especially worthy of approval - we bespeak your early criticism of the stock.
